Kept compatibility up by set. [1] to [11] / These parts are included in the 15G-95340 PARTS KIT.
For [1] to [7], the former parts will be unavailable after our stock is run out.
(For DSC-10/60, arrange the new parts because the stock of former parts are becoming small.
Use the former parts for the other product.)
For the other parts, the former parts can also be ordered as usual.

*Refer to document "Symbol table" at Document library on Maintnet for a simbol and the shape for screws or nut.
*Fix a cable using a clamping tool to avoid touching driving section.
