

❖ 5. Glue Delivery Technology

❖ Scope of supply

Baumer hhs-small pressure tanks are supplied complete with compressed air regulator, safety valve, pressure gauge, suction pipe and back pressure valve.

❖ Technical Data Pressure Vessel KDB-1

- Working pressure range P0: 0.5 2.5 bar
- Fill volume V0: max. 0.75 L
- Volume V: 1 L
- Max. glue pressure (PS): 3.0 bar
- Operating temperature T0/TS: 5 ... 50° C
- Medium: Adhesive / air / water
