

## TECHNICAL DATA

Quality	Ribbon (Bookmark)	
Material		rayon viscose
Yarn number (dtex)		330
Twist (t.p.m.)		110 ± 30

Issued on: 11.07.2018

*The above mentioned information are based on our knowledge at the time of quality measurement.  
Due to unavoidable variations of the components supplied to us as well as unavoidable variations in our own production,  
we recommend in any case sufficient individual tests, to assure the suitability of our products for the intended processing- and application purposes.  
We can not accept any liability arising neither from these instructions nor from personal advice, unless we are made accountable for intent or  
gross negligence.*
